Dear Commissioner:

Supplemental to the Information Disclosure Statement filed on May 2, 2006, Applicants are enclosing Form PTO-1449 citing additional documents. JP 2002-72494 was cited in a Chinese Office Action in the corresponding Chinese patent application. U.S. Patent Application No. 6,624,877 is believed to be the English language equivalent thereof. A copy of the U.S. patent document is not enclosed pursuant to current Patent and Trademark Office guidelines.

Because this Supplemental Information Disclosure Statement is being filed subsequent to an Office Action on the merits, a check in the amount of \$180.00 is enclosed in payment of the fee

for filing this Supplemental Information Disclosure Statement.  
Please charge any additional fees or credit any overpayment to  
our Deposit Account No. 03-2468.

It is respectfully requested that the foregoing Supplemental  
Information Disclosure Statement be incorporated into the  
official file of the present patent application.

Respectfully submitted,
